

## “The State of Water in San Diego” LEGISLATIVE SUMMIT

### Summit Co-Chairs:

The Honorable California Senator Christine Kehoe

The Honorable California Assemblyman Nathan Fletcher

### Event Details:

Date: Thursday, September 30, 2010

Time: 7:30 am - 1:00 pm

Location: UCSD Atkinson Pavilion

### Summit Goals:

1. Familiarize legislators and key stakeholders with the most critical water issues facing the San Diego region and organizations working to address those issues.
2. Create a framework of issues for legislators to work on in a bipartisan manner.
3. Lay the groundwork for developing a proactive lawmaker agenda that will enable San Diego to become the nation's *Clean Water Capital*.

### Overview:

#### The Event will consist of:

1. Pre-Summit Breakfast - A breakfast buffet with legislators and prominent members of the community, including leaders in business, academia and the nonprofit sector, to kick off the Summit and provide an overview of the State of San Diego's water.
2. Summit - Panel presentations and a solution-oriented roundtable discussion on the leading issues facing San Diego's water supply and watershed health.
3. Press event - San Diego's legislative delegation and environmental community announce a bipartisan agreement to work together to make San Diego the nation's *Clean Water Capital*.

# Sponsorship Opportunities

San Diego Coastkeeper is convening a high-level Legislative Summit, co-chaired by Senator **Christine Kehoe** and Assemblymember **Nathan Fletcher**, to bring together a bipartisan delegation of state representatives to discuss the region's most pressing water issues. Some of the nation's top scientists, ecologists and legal experts will report on the latest findings regarding our region's water supply and watershed health. The session will conclude with a formal, bipartisan commitment to work together in hopes of making San Diego the nation's *Clean Water Capital*.
