### Come Together to Help Keep our Ocean Clean

San Diego Coastkeeper and I Love A Clean San Diego in partnership with the California Coastal Commission, will host the [25th Annual California Coastal Cleanup Day](#) (CCD), presented by the San Diego County Board of Supervisors through the support of [Supervisor Greg Cox](#) and [Supervisor Pam Slater-Price](#) and [Think Blue, City of San Diego](#).

CCD is part of the International Coastal Cleanup (ICC), the world's largest cleanup event in support of the marine environment. Last year, 400,000 volunteers from 45 U.S. states and 104 countries collected over 6.8 million pounds of trash. Nearly 8,000 of those volunteers were from San Diego County alone!

Join thousands of San Diegans on **Saturday, September, 19th from 9am to 12noon** in removing debris from local beaches, bays, rivers, canyons and creek beds before it enters the ocean and becomes marine debris. Registration at our coastal sites has filled up quickly, leading us to suggest that you try to find an inland canyon or creek site that needs help. With nearly 80 sites to choose from countywide, including six sites in Tijuana, all San Diegans will have the opportunity to take part in CCD. Each volunteer will receive a free pass to ride the rollercoaster at Belmont Park, and the chance to tickets to Sea World, local museums and aquariums, and more! Visit [www.cleanupday.org](http://www.cleanupday.org) to register for a site near you! .
