San Diego Coastkeeper 2018 Seaside Soiree

Dear Community Partner,

San Diego Coastkeeper believes that humans and the environment share a fundamental right to clean water. We work to protect the rivers, streams, canyons, and coastline that make up our beautiful and diverse county. San Diego Coastkeeper uses a strategic combination of community engagement, education, hard science, and advocacy to protect and restore fishable, swimmable, drinkable waters on behalf of us all.

We are excited to host our annual celebration of clean water, **the Seaside Soiree, on September 12, 2018 at the Bali Hai on Shelter Island**, and invite you to partner with us as we raise a glass to the past year's successes. Your partnership directly supports the programs and projects that protect clean, healthy waters across San Diego County.

Seaside Soiree brings together more than 200 environmental advocates, community leaders, policy makers, high-level supporters, and the San Diego Coastkeeper Board of Directors and staff to celebrate more than 23 years of successes in advancing the protection of San Diego County's waters. It's the one time of the year you can dive into San Diego Coastkeeper's work with interactive program learning, bid on fun packages and trips through our silent auction, savor delicious food from a roaming buffet, and mingle with the stakeholders, supporters, and environmental visionaries who share your passion for a healthy, thriving environment.

Our rivers, streams, and world-famous coastline define our local culture and shape us into a unique community. Our quality of life and economy are tied to these waters and all the economic benefits, recreational activities, and beauty they have to offer. Whether you swim along one of our 70 miles of coastline, surf world-class breaks, fish in lakes with your family, or hike next to a river, you and your company depend on clean water. Your Seaside Soiree sponsorship folds you into the protection of our waters and provides you with the recognition you deserve. Join San Diego Coastkeeper today, and your company will help ensure protection of our inland waterways, iconic beaches, and magnificent coastline.

Sponsorship benefits include, but are not limited to:

- VIP tickets, which includes early event admission to our VIP reception and two drink tickets
- Logo and name displayed on printed and digital event materials
- Logo recognition on event invitations
- Website, social media, and email features
- Press release and media alerts
